

Serpentine Corner rulers  
- 2 sizes

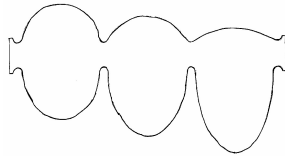

CC Triarcs  
- 5 sizes

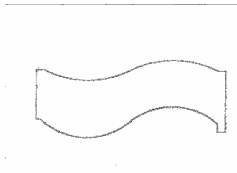

Using these templates you are able to quilt both the short and long side of half square triangles without having to work with large, awkward circles or having to use multiple templates.

Swag Rulers  
- 2 sizes

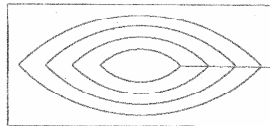

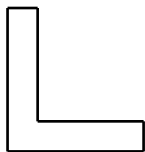

Swirls ruler

DWR Arc set (Nested Double Wedding Ring Arc set)

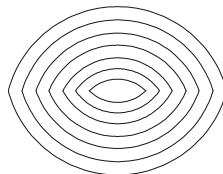

90 deg Ruler  
- 3 sizes

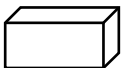

Rectangle

Perfect Cable Set

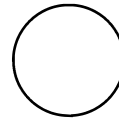

Handles (to be glued on yourself)

There are a large variety of different shapes and sizes of rulers available. For a full listing please refer to the order form.

In summary there are:

Circles  
- 20 sizes

Ovals  
- 7 sizes

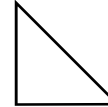

Baptist Fan wedges  
- 6 sizes

Hearts  
- 6 sizes  
The heart template itself is the stated size.  
It will stitch out larger.....

Tri-rulers Great for crosshatching! 1/4" outlining and SID  
- 2 sizes

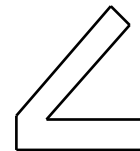

Appliqué & Ditch Guide

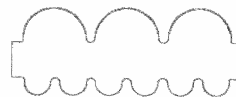

60deg Ruler

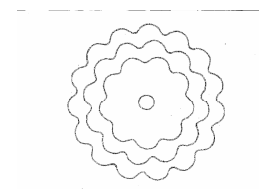

The 60 deg ruler is just that. The 2" wide arms are positioned so that the angle between them is 60deg. Great for ditching or 1/4" outlining all those 60deg triangle/pyramid quilts!! Also handy for crosshatching a 60deg grid.

Shells Ruler- 2 sizes

Nested Scalloped circle set

*Machine Quilting Service & quilting supplies*

**Ruler templates for use with commercial quilting machines!**

I have negotiated and designed with a local business to laser cut 1/4" acrylic into various shapes suitable for use with commercial quilting machines. The order form can be faxed or posted to me as well as being submitted via my website through a secure server.

The prices of the rulers reflect the basic nature of them. No lines or instructions are included with them. Please feel free to share tips, ideas and suggestions for the rulers with me and they can be collated and posted on my website on a tips page for all to read and benefit from.

No responsibility or liability is taken for the performance of these rulers.

All prices are in Australian Dollars. Overseas orders by credit card payment only with postage at actual cost.

Payment by Cash,  
Cheque, Mastercard, Bankcard & Visa

**Total Due:**

- All rulers are made from 1/4" thick acrylic which is very strong and doesn't flex.
- All circles have a pinhole cut in the centre for ease of placement on your quilt top.
- All rulers will be delivered with the protective paper still attached.
- No lines or markings have been etched onto your rulers.
- This is easy to do by scoring with a sharp object in the positions that suit your individual machine.
- Different brand machines have different size feet.
- The prices of the rulers reflect the basic nature of them. No lines or instructions are included with them.
- Please feel free to share tips, ideas and suggestions for other rulers with me and they can be collated and passed onto other machine quilter's to benefit all.
- No responsibility or liability is taken for the performance of these rulers

*Postage is charged at cost! There is NO handling fee*
